Abstracts submissions will be on-line
Please go on: www.estiv2016.com and
follow the indications.
Abstracts submission: from December 15,
2015
Deadline for abstracts submissions: May 15,
2016
Notification abstracts acceptance: June 30,
2016
Final program: June 30, 2016

ACCOMODATION

Antibes-Juan-les-Pins has an important
hotel district perfectly adapted for
customers who participate to conventions.
Appropriate accommodation will be

proposed around the Convention center
in a true "resort" spirit. Take advantage
of this beautiful destination with its
1,000 hotel rooms located within walking
distance of the conference centre, as
well as beaches, restaurants, shops, bars
and night clubs which offer many tourist
attractions and festivities to delegates.

Special congress rates have been
negotiated especially in hotels located
at walking distance from the congress
center. Detailed information will be
provided on the congress website.

REGISTRATION

On-line registrations open on December 15,
2015
Early-bird reduced registrations deadline:
July 15, 2016
For more information and to register online,
please visit, from December 15, 2015:
www.estiv2016.com

EXHIBITION AND SPONSORING

Companies are invited to participate as
sponsors and exhibitors during the 19th
ESTIV 2016 congress.
The exhibition area will be located near
the conferences room on an unique level.
Additional information can be found on
the website www.estiv2016.com

October 17-20, 2016

In Vitro Toxicology for Human Safety Assessment

Palais des Congrès
Juan-les-Pins / France

Organized by:

Société Française de Toxicologie

Société de Pharmacotoxicologie Cellulaire

Welcome

Dear Colleagues,

The European Society of Toxicology *In Vitro* (ESTIV), the French Society of Toxicology (SFT), and the Cellular Pharmacology-Toxicology Society (SPTC) cordially invite you to participate in the **19th International Congress on In Vitro Toxicology ESTIV 2016**, in Juan-les-Pins, October 17-20, 2016.

The ESTIV 2016 meeting will have an attractive scientific program focused around the slogan:

“*In Vitro* Toxicology for Human Safety Assessment”

Emphasis will be specifically on how new technologies can strengthen the interpretation and application of *in vitro* methods in toxicological research and risk assessment.

ESTIV 2016 congress is the ideal venue for research or industry toxicologists to meet and exchange scientific and regulatory information and knowledge. Young scientists are particularly encouraged to present their work and discuss results with senior scientists. We are looking forward to welcome you in Juan-les-Pins.

Alain Simonnard
President
local organizing
committee

Chantra Eskes
President
ESTIV

Philippe Bourrinet
President
SFT

Marc Pallardy
President
SPTC

Themes

- # Carcinogenesis (Pre-congress workshop)
- # Extrapolation, modeling and distribution
- # Systemic toxicity
- # Endocrine disruptors
- # Biopharmaceuticals
- # Emerging technologies for *in vitro* tissue/organ and toxicity testing
- # New developments in cell bioengineering and self assembly
- # Regulatory updates (validation, integrated testing strategy, regulatory application)
- # Mixtures
- # Debate session: Application of IATA in a regulatory context: prescriptiveness versus flexibility and cost versus coverage
- # Student sessions:
 - Job opportunities and career exploration
 - Young speaker session
- # Practical Training Course on *In Vitro* Lung, Dermal and Ocular Toxicity (Post-congress workshop)

Committees

SCIENTIFIC COMMITTEE ESTIV 2016

- Nathalie Alépée**, L'Oréal, France
- Armelle Baeza**, Université Paris-Diderot, France
- Robert Barouki**, Université Paris-Descartes, France
- João Barroso**, EC DG-JRC, Italy
- Philippe Bourrinet**, Guerbet, France
- Leonora Buzanska**, Mossakowski Medical Research Centre, Poland
- Francesca Caloni**, Università degli Studi di Milano, Italy
- Martine Clauw**, Ecole Nationale Vétérinaire de Toulouse, France
- Chantra Eskes**, SeCAM services, Switzerland
- Antony Fastier**, BASF, France
- Pierre-Jacques Ferret**, Pierre Fabre, France
