ESTIV Pre-conference workshop JRC, 21st November 2022

08:30-09:00 **Opening and Introduction**

09:00-10:20 **Activity 1: 'Who's in the room?'**

We will explore the scientific identities and “labels” that participants identify with..

10:20-10:40 Coffee break

10:40-11:30 **Activity 2: Acting the scientific roles**

Through performance techniques, we will explore social and institutional constraints of scientific roles, and how to overcome them.

Participants will be able to choose the level of participation they are comfortable with: just watching; giving feedback or directing the action; or participating as an actor

11:30-12:30 **Activity 3: Bridgeability – The CIAO COVID project**

We will get practice in constructing bridges across disciplines. This session starts with insights from CIAO – a real-life cross-disciplinary (in all ways) crowdsourcing project tracking the multiple pathways of COVID19, followed by breakout groups

12:30-13:00 **Wrap-up session / Recap of strategies for achieving cross-disciplinarity**
