

Dear exhibitor/sponsor,

Thank you again for your ESTIV 2026 sponsorship.

As we approach **ESTIV 2026**, we are pleased to share key information to support your preparation as a sponsor and/or exhibitor. Please review the details below carefully and consult the Sponsor and Exhibitor Manual for full information.

Event details

Date: 29 June to 2 July 2026

Location: MECC Maastricht, The Netherlands

Venue address

MECC Maastricht
Forum 100
6229 GV Maastricht
The Netherlands

The exhibition and catering areas will be located in the **Expo Foyer**.

Set-up, opening hours and dismantling

Set-up	Sunday 28 June	09.00 – 18.00
Set-up	Monday 29 June	08.00 – 12.00
Exhibition	Monday 29 June	13.00 – 20.30
Exhibition	Tuesday 30 June	10.30 – 19.30
Exhibition	Wednesday 1 July	10.30 – 17.00
Dismantling	Wednesday 1 July	17.00 – 20.00

Logistics

Loading and unloading is via **Gate 18** at MECC. Goods will be transported to the Expo-Foyer using the freight elevator. Forklifts are not permitted and all transport inside the venue must be carried out manually.

Storage must be arranged in advance via CEVA. Please note that storage within MECC is not permitted.

Internet and catering

Standard Wi-Fi is available free of charge. For a more stable or higher-speed connection, please contact MECC Exhibitor Services to arrange an upgrade.

Coffee breaks and lunches will be provided during exhibition hours.

Exhibitors receive lunch 30 minutes earlier than other participants, **thus at 12.30**.

Exhibitor passes

Badges can be collected at the registration desk. Please note that all registrations are non-transferable and will show the participant's name and company.

Ensure that all booth staff are registered. Use the discount codes previously provided to redeem the passes included in your package.

For additional congress or exhibitor passes, please register via the following link:
<https://insight.klinkhamergroup.com/estiv/login>

Parking

Parking is available in the surrounding car parks. Parking in loading areas (**Gate 18**) is only permitted during set-up and dismantling.

Parking is not included and tickets can be purchased in advance via MECC Maastricht Parking.

The venue floorplan can be found here:
<https://www.klinkhamergroup.com/wp-content/uploads/2022/03/Plattegrond-MECC.pdf>

For parking-related questions, please contact:
info@mecc.nl or <https://parking.mecc.nl/frequently-asked-questions>

Floor plan

The most up to date booth floorplan is available on the congress website. Please ensure your stand is built at the assigned booth number.

Helpdesk

Before the event, questions can be sent to estiv@klinkhamergroup.com.
During the event, the mailbox will not be monitored, and assistance will be available at the registration desk on site.

Checklist

Please ensure the following actions are completed:

- ☐ Review the exhibitor manual carefully
- ☐ Confirm that exhibition staff have been registered
- ☐ Confirm that booth set-up is arranged (standard booths are included unless a custom stand was requested before 11 May 2026)
- ☐ Order additional services via the MECC webshop, including electricity and lighting (**not included in the package, deadline: 23 June**)
- ☐ Ensure bag inserts are delivered to CEVA (if applicable) no later than **23 June**
- ☐ Share this information with your stand builder and team
- ☐ Ensure all logistics, approvals and orders are arranged in advance.

Exhibitor manual/ Logistics

The full Sponsor and Exhibitor Manual provides detailed information on deadlines and available services: [link here](#).

The shipping instructions offer additional details regarding logistics and tariffs: [link here](#).

We highly recommend reviewing both documents to ensure a smooth and successful participation.

We look forward to meeting you in Maastricht!

Yours sincerely,
ESTIV 2026 Organising Committee
